Painting contractor company profile pdf

We have built a great reputation with commercial companies throughout Auckland. We work professionally and efficiently to ensure that your premises remain at a high standard. We carry out health and safety checks on each job and provide a report on your company's data. Our commercial paintings include Unitec campuses, apartment buildings, Auckland Museum, retail stores, schools, shopping centres and industrial buildings. High-quality dry wall bearing is an important part of producing high-quality paint. We hire gip-stoppers who have proven to deliver high-quality work that is so important to delivering the best outcome for your work. Our plasterboard patches offer a range of detailed finishes, including a square stop, cove, negative details and a very important Level 5 finish. Our casts take care of clean work and protect your belongings while working in your home. We think Profile Property Services is a family business and have been one of Auckland's leading painters and plasterboard stoppers for over 25 years. During this time, we have been members of the NZ Master Painters Association. In 2015, we became New Zealand's first quality-confident champion painter, including a thorough inspection of master painter NZ. We have been involved in painting many of Auckland's premium homes and have a good reputation for quality and honesty. Safety: We are proud to promote a practical safety culture in the workplace. This makes security measures an integrated part of painting art. We are members of HazardCo NZ and all team members have a valid Site Safe Building Construction Passport and other safety licenses and certificates. Our team has been involved and trained according to rigid standards. In addition to being top-notch, we use the same high standards in our administrative processes. We offer free no obligation offers. If you're looking for a measly, high-quality painting job, we'd like to talk to you. What our customers say John and his crew were great to be on site, great job, well done. Murray, ASB Stadium What our customers say The project looks fantastic and very professionally done, I look forward to our next project with your business. Jason, Hitchens What our customers say Thank you so much for the wonderful service. If you're interested in testimonials, you can count on me. Vitali What our customers say Thank you for the incredible work, as always, and thank you to the team for working into the night to get me home on time, I really appreciated it. Thanks again. Robyn What our customers say We were very happy with the goal scoring – compliments from all the neighbors on the thoroughness of your merchants as well, and we appreciate the work done very much. It looks great, and the color I chose is ok too..... at least better than the purple that was there! Julie What say Only a quick note thanks you for completing the work in my unit, so and thank your employees for their courtesy and quality of work. The painters in particular were always polite and patient with us and they left the property tidy and clean. Vonne What our clients say Thank you so much. The Haydens were great. Clean, clean, quiet and very attentive to where they parked. I wouldn't hesitate to recommend you as a painter. Margaret What our customers say Hey Paul, we are very happy with our rules and the work looks fantastic. Thank you so much for coming. Already What our customers say All in all, we are happy with the work and top quality, which is the standard we have come to expect and receive from you and your friends. Marion What our clients say I just want to thank you for doing such a fantastic job in my house (now I regret the best). I am very happy with that because Du could not fault his work. He was an absolute perfectionist, completely professional, friendly, respectful, polite and a pleasure to work here. Cathy, what our clients say, Paul, thank you for giving me your personal attention. The job is perfect and we thought Min was an excellent merchant, skilled, polite and hardworking. His assistant was also very good. Cleaning at the end was excellent. Pass on our compliments. Phil Since 1992, Howard Painting & Drywall Company, Inc. has been a special contractor in Washington with core values of honesty, excellence and exceptional customer service.
